COMMITTEE PURPOSE

Former Mayor Donald Cook and Borough Council organized a Borough Beautification Committee to work with the grant project.

The Committee is made up of a group of volunteer residents who enjoy gardening. The goal of the Committee is to improve the public spaces in the Borough while providing suggestions to residents who want to provide more "curb appeal" to their private property. The Committee has created gardens throughout the Borough and maintain them for the enjoyment of the residents.

The Committee members also fundraise to help maintain the gardens and the community events that they sponsor.

Committee

We are a group of gardeners dedicated to making our community beautiful. We maintain the Borough gardens, sponsor the Curb Appeal Awards Program for our residents, sponsor the annual Christmas Tree Lighting and Christmas Luminaries in Park Square.

We also share our gardening knowledge and tips through our meetings and special events.

Our meetings are every 4th Tuesday of the month, at 7 PM at the Borough Hall, 720 Maryland Avenue, with the exception of December, July and August.

For further information contact Eleanor Kloss at eletrainkloss@hotmail.com or join us at our meetings.

We look forward to welcoming you!
